Christopher R. Murray, the Chapter 7 Trustee (the “*Trustee*”) for the bankruptcy estate of Alexander E. Jones (“*Jones*” or the “*Debtor*”) files this motion (the “*Motion*”) for entry of an order authorizing the winddown of Free Speech Systems, LLC (“*FSS*”), including (i) authorizing and approving the auction and sale of the non-cash assets of FSS free and clear of all liens, claims and encumbrances and (ii) granting related relief. In support of this Motion, the Trustee respectfully states as follows:

PRELIMINARY STATEMENT

1. Since the Court converted Alex Jones’s case to chapter 7 and dismissed the FSS bankruptcy, the Trustee has explored options for administering the Jones bankruptcy estate’s 100

percent ownership interest in FSS, the entity that owns and operates the INFOWARS media platform. While heavily indebted to judgment creditors, FSS nevertheless owns valuable assets, including cash, receivables, intellectual property rights, production equipment and facilities, vehicles, real estate, and other property. Since the dismissal of its bankruptcy case, FSS and its 46 employees and independent contractors have continued to operate and produce substantial positive cash-flow in anticipation of an eventual disposition of its assets and winddown. The Trustee has to date taken possession of approximately \$2.3 million in FSS cash which he is holding pending further order from the Court.

2. As the Court is aware, there are competing claims on the cash and other assets of FSS. The Court has retained jurisdiction over a disputed lien asserted by PQPR. The Court has also retained jurisdiction over the claims of professionals for fees incurred during the FSS chapter 11 case. The full scope of claims is also unknown, as some litigation claims remain unliquidated.

3. Meanwhile, multiple parties have approached the Trustee to express interest in acquiring different subsets of the non-cash assets of FSS. Based on these indications of interest, as well as consultations with business liquidation professionals, the Trustee believes an orderly sale of FSS's non-cash assets would generate substantial cash and maximize value for all stakeholders.

4. After consultation with the Connecticut and Texas families, Alex Jones, creditors, professionals, the United States Trustee, and other parties-in-interest, the Trustee proposes to wind down FSS through an open and orderly liquidation process designed to maximize value for all stakeholders, with the net proceeds of the winddown to be held by the Trustee pending further order of the Court.

5. The Trustee proposes a two-phase auction for the assets of FSS. In phase one, FSS would auction its intellectual property (the "*IP Assets*") along with any Remaining Assets (as

defined below) that potential buyers seek to purchase in connection with the IP Assets. The IP Assets would include FSS's right, title, and interest in the trademarks, domain names, copyrighted material, social media accounts, and any other transferable intellectual property rights. The IP Assets to be auctioned do not include the individual or personal intellectual property of Alex Jones that may be owned by him or the chapter 7 estate. The sale of the IP Assets would include a customary qualifying and sealed-bid round, followed by an online, open-cry auction of qualified bidders.

6. In phase two, FSS would auction its remaining non-cash property (the “*Remaining Assets*” and together with the IP Assets, the “*Assets*”) not sold in connection with the IP Assets at an open, online auction to maximize the value to the Debtor's estate, FSS and relevant stakeholders.

7. The Trustee anticipates completing phase one within 60 days of entry of an order approving this process. Phase two would likely conclude another 30–45 days after that. The Trustee would retain and compensate all employees and independent contractors through the conclusion of the auction process. At the conclusion of the asset sales, the Trustee would terminate operations, dismiss the employees and contractors, and take appropriate steps to dissolve and wind down the FSS entity consistent with any further order of this Court. All parties asserting liens, claims, or interests against the assets of FSS would retain those rights in the net proceeds, which would be held by the Trustee pending further order of this Court.

JURISDICTION AND VENUE

8. The United States Bankruptcy Court for the Southern District of Texas has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding within the

meaning of 28 U.S.C. § 157(b)(2) and this Court may enter a final order consistent with Article III of the United States Constitution.

9. Venue is proper pursuant to 28 U.S.C. § 1408.

10. The bases for the relief requested herein are sections 105, 363, and 704(a) of title 11 of the United States Code (the “**Bankruptcy Code**”) and rules 2002, 6004, and 9014 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and rule 9013-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “**Bankruptcy Local Rules**”).

BACKGROUND

I. Bankruptcy Proceedings

11. On July 29, 2022 (the “**Petition Date**”), FSS filed its voluntary petition for relief under chapter 11 subchapter V of the Bankruptcy Code. For reasons stated on the record at the hearing on June 14, 2024, the Court entered the Dismissal Order dismissing FSS’s chapter 11 case (the “**FSS Case**”). [See Docket Nos. 955 and 956].

12. On December 2, 2022 (the “**Petition Date**”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (prior to the Conversion Date, the “**Jones Chapter 11 Case**”, and after the Conversion Date, the “**Jones Chapter 7 Case**”). The Debtor is an employee of FSS. 100 percent of the outstanding membership interests in FSS are owned by the Debtor’s bankruptcy estate.

13. On December 13, 2022, the United States Trustee for Region 7 (Southern and Western Districts of Texas) (the “**U.S. Trustee**”) appointed the Official Committee of Unsecured Creditors in the Jones Chapter 11 Case pursuant to Bankruptcy Code section 1102(a)(1).

14. The Debtor continued managing his assets as debtor and debtor in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code until the Court entered its *Order*

Converting Debtor's Chapter 11 Case to a Case Under Chapter 7 of the Bankruptcy Code [Docket No. 708] on June 14, 2024 (the “**Conversion Date**”). On June 21, 2024, the Court entered an order dismissing the FSS Case [Case No. 22-60043, Docket No. 956] (the “**Dismissal Order**”), while retaining exclusive jurisdiction over several adversary proceedings and the approval of professional fees and expenses. On the Conversion Date, the U.S. Trustee appointed Christopher R. Murray as the Chapter 7 Trustee in the Jones Chapter 7 Case.

II. FSS Assets

15. Jones' bankruptcy estate holds 100 percent of the outstanding membership interests in FSS, and the FSS Assets are allegedly subject to the claimed liens of PQPR Holdings Limited LLC (“**PQPR**”), which are the subject of the adversary proceeding captioned *Free Speech Systems, LLC v. PQPR Holdings Limited LLC, et al.*, Adv. Case No. 23-03127 (Bankr. S.D. Tex.) (the “**PQPR Adversary Proceeding**”) retained by this Court following the dismissal of the chapter 11 bankruptcy case of FSS. The Trustee has control over the bank accounts and cash of FSS pursuant to the Dismissal Order.

16. After entry of the Dismissal Order, the Trustee and his advisors have engaged in extensive negotiations with the Debtor, PQPR, the Texas and Connecticut Families, and other stakeholders regarding a path forward for FSS that is both value-maximizing and sufficiently attentive to the realities facing the Debtor's estate and FSS.

17. The Trustee has already taken possession of approximately \$2.3 million in FSS cash that he is holding pending further Court order. FSS has other current assets, including operating cash, receivables, and other working capital. FSS continues to generate positive cash-flow from its ongoing operations.

18. FSS's IP Assets include, but are not limited to, social media accounts, domain names, registered and unregistered trademarks, and production rights. They do not include individual or personal intellectual property owned personally by Jones's chapter 7 estate.

19. FSS's Remaining Assets include, but are not limited to, various broadcasting studio equipment, including cameras, and other video production equipment, and certain vehicles owned by FSS but may also include IP Assets that are unsold after the Auction (if any) of the IP Assets.

20. The Trustee intends to hold the cash and the net proceeds from the sales of the FSS Assets in escrow pending the final judgment or resolution of the PQPR Adversary Proceeding and any other claims that have been or may be asserted against such proceeds, including by judgment claimants. All rights with respect to the proceeds from the sale of the FSS Assets will be preserved and shall be subject to further order of the Court.

21. Contemporaneously with this Motion, the Trustee filed an application to employ Tranzon Asset Advisors and ThreeSixty Asset Advisors (collectively, "***Tranzon360***") to market, auction, and sell the Assets.

REQUESTED RELIEF

22. The Trustee seeks authorization to exercise his reasonable business judgment to wind down FSS in the manner summarized below. The Trustee's goal is to establish a clear process for the solicitation, receipt, and evaluation of bids on a timeline that will provide parties sufficient time and information to submit competitive bids, and which will ultimately result in value maximizing sales (any such sale, a "***Sale***") of the Assets. The Trustee has balanced the need to provide adequate notice to parties in interest and potential bidders with the need for a fulsome, expeditious, and efficient marketing process in devising the proposed timeline for bidding and Auctions. The auction process is designed to generate the highest or otherwise best available

recoveries to FSS stakeholders by encouraging prospective bidders to submit competitive, value-maximizing bids and provide the Trustee with sufficient time to conduct the Auctions and Sales while efficiently and expeditiously winding down FSS. In furtherance of these goals, the Trustee seeks entry of an order substantially in the form attached hereto (the “***Proposed Order***”), granting the following relief:

- (a) Establishing the following dates, deadlines, and procedures in connection with the Trustee’s proposed auction and sale of the Assets:

Event or Deadline	Date and Time
Sale Motion Hearing	A hearing (the “ <i>Sale Hearing</i> ”) will be held on this Motion on September 24, 2024 at 2:00 p.m. (prevailing Central Time) , or as soon thereafter as the Court’s calendar permits, as the date for a hearing to approve the auctions and sales proposed herein.
IP Assets Bid Deadline	October 23, 2024, at 5:00 p.m. (prevailing Central Time) as the deadline (the “ <i>IP Assets Bid Deadline</i> ”) by which all binding sealed bids must be actually received by the Trustee for the sale of the IP Assets and any Remaining Assets in connection with the sale of the IP Assets.
IP Assets Auction (if applicable)	The “ <i>IP Assets Auction</i> ”, if any, will be held on October 30, 2024, at 10:30 a.m. (prevailing Central Time) through Tranzon360’s selected online auction platform, for the sale of the IP Assets and any Remaining Assets in connection with the sale of the IP Assets, subject to rescheduling or cancellation by the Trustee in his reasonable discretion.
Remaining Assets Auction (if applicable)	The “ <i>Remaining Assets Auction</i> ”, if any, will be held on November 19, 2024, at 10:30 a.m. (prevailing Central Time) through Tranzon360’s selected online auction platform, for the sale of the Remaining Assets, subject to rescheduling or cancellation by the Trustee in his reasonable discretion.

- (b) approving the form and manner of notice of the Auctions with respect to the Sale of the Assets free and clear of liens, claims, encumbrances, and other interests, substantially in the form attached to the Proposed Order as **Exhibit 1** (the “***Sale Notice***”), which Sale Notice will be served on the following parties or their respective counsel, if known (collectively, the “***Notice Parties***”): (a) the United States Trustee for the Southern District of Texas; (b) counsel for the Debtor; (c) counsel for the Sandy Hook Families; (d) the holders of the 20 largest unsecured claims against the Debtor; (e) the Office of the United States Attorney for the Southern District of Texas; (f) the Texas state attorney general; (g) the Internal Revenue Service; (h) all known holders of liens, encumbrances, and other claims secured by the Assets; (i) all known creditors of FSS; (j) each governmental agency that is an interested party with respect to the Sale and transactions proposed thereunder; (k) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (l) any other party entitled to notice pursuant to Bankruptcy Local Rule 9013-1(d).;
- (c) authorizing the Trustee to take all actions necessary to close (i) the Sale of the IP Assets and any Remaining Assets sold in connection with the IP Assets following the conclusion of the IP Assets Auction and the filing of a notice of successful bidder, including without limitation entering into a purchase agreement with the successful bidder and (ii) the Sale(s) of the Remaining Assets following the conclusion of the Remaining Assets Auction, including entering into any purchase agreements or issuing invoices, as necessary, in connection with the Remaining Asset Sales;
- (d) approving the payment of winddown-related administrative expenses, including:
 - (i) professional compensation and reimbursement of expenses incurred by chapter 7 estate professionals advising the Trustee on the FSS wind down to the extent those fees are allocable, in the Trustee’s discretion, to the FSS asset sale process, with the amounts so paid credited against any approved fees in the Jones Case to the extent necessary to prevent double compensation for the same work;
 - (ii) Trustee compensation on disbursements of FSS assets and proceeds to be calculated as a commission consistent with 11 U.S.C. § 326 and reimbursement of expenses, with the amounts so paid to be credited against any approved compensation or expenses of the Trustee from the Jones estate to the extent necessary to prevent double compensation for the same disbursements;

- (iii) auctioneer compensation and reimbursement of expenses of Tranzon360 according to the following terms (collectively, the “*Commission and Reimbursement*”):¹

IP Assets	10% on proceeds \$0-\$500,000.00 7% on proceeds \$500,000.01 to \$2,000,000.00 5% on proceeds over \$2,000,000.00
Remaining Assets	15% of proceeds of the Remaining Assets
Expense Reimbursement	Estimated to be between \$70,000 and \$75,000

- (e) granting related relief.

BASIS FOR RELIEF

I. The Court Should Approve the Winddown of FSS, including the Auctions and Sales as a Sound Exercise of Business Judgment.

23. Section 105(a) of the Bankruptcy Code permits a bankruptcy court to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). Section 704(a) of the Bankruptcy Code provides the duties of chapter 7 trustee, and in particular directs the trustee “to collect and reduce to money the property of the estate for which such trustee serves, and close such estate as expeditiously as is compatible with the best interests of parties in interest.” 11 U.S.C. § 704(a)(1). Section 363(b)(1) of the Bankruptcy Code provides that a trustee, “after notice and a hearing, may use, sell or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1).

24. The Debtor’s estate owns 100 percent of the membership interests in FSS, which interests are subject to this Court’s jurisdiction. The membership interests include not only the bare equity interests, but also the non-monetary rights and responsibilities of the equity holder—the Debtor’s bankruptcy estate. The Trustee has a duty to reduce to money property of the Debtor’s

¹ The Trustee has sought be separate motion, filed contemporaneously herewith, to employ Tranzon360 and approve its compensation.

estate consistent with the interests of parties in interest. In furtherance of that duty, the Trustee seeks to wind down FSS, which requires the liquidation of FSS's assets. In winding down a company's affairs, the Texas Business Organizations Code provides that,

... if the property of a domestic entity is not sufficient to discharge all of the domestic entity's liabilities and obligations, the domestic entity shall: ... apply its property, to the extent possible, to the just and equitable discharge of its liabilities and obligations, including liabilities and obligations owed to owners or members, other than for distributions ...

TEX. BUS. ORG. CODE ANN. 11.053. The Auctions and Sales are the intended to apply the property of FSS to discharge the liabilities of FSS. In addition, given the unique procedural posture of the Jones Chapter 7 Case and the dismissal of the FSS Case, this Court's retention of jurisdiction over FSS's bank accounts, related adversary proceedings, and fee applications related to the FSS case, the Trustee believes that the Court may authorize the Trustee to exercise his business judgment in conducting the Auctions and Sales of the FSS Assets.

25. A trustee's business judgment is entitled to substantial deference with respect to the procedures to be used in selling an estate's assets and when there is "some articulated business justification for using, selling, or leasing the property outside the ordinary course of business." *See, e.g., In re Continental Air Lines, Inc.*, 780 F.2d 1223, 1226 (5th Cir. 1986) ("[F]or a debtor-in-possession or trustee to satisfy its fiduciary duty to the debtor, creditors and equity holders, there must be some articulated business justification for using, selling, or leasing the property outside the ordinary course of business."); *In re Crutcher Resources Corp.*, 72 B.R. 628, 631 (Bankr. N.D. Tex. 1987) ("A Bankruptcy Judge has considerable discretion in approving a § 363(b) sale of property of the estate other than in the ordinary course of business but the movant must articulate some business justification for the sale.").

26. Once a trustee articulates a valid business justification, the court should review that request under the business judgment rule. *See In re Gulf Coast Oil Corp.*, 404 B.R. 407, 415

(Bankr. S.D. Tex. 2009) (noting that a debtor in possession has the discretionary authority to exercise business judgment given to an officer or director of a corporation). The business judgment rule protects certain trustee decisions from reevaluation by a court with the benefit of hindsight. *See Richmond Leasing Co. v. Capital Bank, N.A.*, 762 F. 2d 1303, 1311 (5th Cir. 1985) (“More exacting scrutiny would slow the administration of the debtor’s estate and increase its cost, interfere with the Bankruptcy Code’s provision for private control of administration of the estate, and threaten the court’s ability to control a case impartially.”). Thus, if a trustee’s actions satisfy the business judgment rule, then the transaction in question should be approved under section 363(b)(1) of the Bankruptcy Code.

27. The paramount goal in any proposed sale of property of the estate is to maximize the proceeds received by the estate. *See In re Edwards*, 228 B.R. 552, 561 (Bankr. E.D. Pa. 1998) (“The purpose of procedural bidding orders is to facilitate an open and fair public sale de-signed to maximize value for the estate.”); *In re Food Barn Stores, Inc.*, 107 F.3d 558, 564–65 (8th Cir. 1997) (in bankruptcy sales, “a primary objective of the Code [is] to enhance the value of the estate at hand”); *In re Integrated Res., Inc.*, 147 B.R. 650, 659 (S.D.N.Y. 1992) (“[I]t is a well-established principle of bankruptcy law that the objective of the bankruptcy rules and the trustee’s duty with respect to such sales is to obtain the highest price or greatest overall benefit possible for the estate.”) (internal citations omitted).

28. To that end, courts uniformly recognize that procedures intended to enhance competitive bidding are consistent with the goal of maximizing the value received by the estate and, therefore, are appropriate in the context of bankruptcy transactions. *See, e.g., In re Integrated Res., Inc.*, 147 B.R. at 659 (bidding procedures “are important tools to encourage bidding and to maximize the value of the debtor’s assets”); *In re Fin. News Network, Inc.*, 126 B.R. 152, 156

(Bankr. S.D.N.Y. 1991) (“court-imposed rules for the disposition of assets . . . [should] provide an adequate basis for comparison of offers, and [should] provide for a fair and efficient resolution of bankrupt estates”).

29. Here, the proposed procedures and Auctions will promote active bidding from interested parties and will elicit the highest or otherwise best offers available for the Assets. The sale processes are designed to facilitate orderly yet competitive bidding to maximize the value realized by the Assets from any eventual transactions. In particular, the Trustee proposes a sealed bid process and open auction for the IP Assets, and any Remaining Assets in connection with the sale of the IP Assets, and an open auction process for the Remaining Assets, which will provide potential bidders with sufficient time to perform due diligence and acquire the information necessary to submit a timely and well-informed bid for the IP Assets and meaningfully participate at the Remaining Assets Auction.

30. It is well-settled that where there is a court-approved auction process, a full and fair price is presumed for the assets sold because the best way to determine value is exposure to the market. *See Bank of Am. Nat’l Trust & Sav. Ass’n. v. LaSalle St. P’ship*, 526 U.S. 434, 457 (1999); *see also In re Trans World Airlines, Inc.*, No. 01-00056, 2001 WL 1820326, at *4 (Bankr. D. Del. 2001) (while a “sale transaction does not require an auction procedure,” “the auction procedure has developed over the years as an effective means for producing an arm’s length fair value transaction”). This is true here where any Sale(s) of the Assets and related transactions have been subjected to a marketing process and intensively scrutinized by the Trustee and his retained advisors. As a result, the Trustee and creditors can be assured that, taking into account current economic conditions, the consideration obtained will be fair and reasonable and at or above market.

31. The proposed procedures will encourage competitive bidding and are appropriate under the relevant standards governing auction proceedings in bankruptcy proceedings. The Court should therefore enter the Proposed Order.

II. The Court Should Approve the Trustee's Entry into Purchase Agreements as an Exercise of Sound Business Judgment.

32. As noted above, the business judgment rule shields a trustee or debtor-in-possession's decisions from judicial second-guessing. *Comm. of Asbestos-Related Litigants v. Johns-Manville Corp. (In re Johns-Manville Corp.)*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986) (a “presumption of reasonableness attaches to a debtor’s management decisions” and courts generally will not entertain objections to the debtor’s conduct after a reasonable basis is set forth). Once a trustee articulates a valid business justification, the court should review that request under the business judgment rule. *See In re Gulf Coast Oil Corp.*, 404 B.R. 407, 415 (Bankr. S.D. Tex. 2009) (noting that a debtor in possession has the discretionary authority to exercise business judgment given to an officer or director of a corporation). The business judgment rule protects certain decisions—such as the Trustee’s entry into a purchase agreement—from reevaluation by a court with the benefit of hindsight. *See Richmond Leasing Co. v. Capital Bank, N.A.*, 762 F. 2d 1303, 1311 (5th Cir. 1985) (“More exacting scrutiny would slow the administration of the debtor’s estate and increase its cost, interfere with the Bankruptcy Code’s provision for private control of administration of the estate, and threaten the court’s ability to control a case impartially.”). If a trustee’s actions satisfy the business judgment rule, then the transaction in question should be approved under section 363(b)(1) of the Bankruptcy Code. Based on this rationale, courts have authorized a trustee’s sale of assets as a sound exercise of business judgment under section 363 of the Bankruptcy Code.

33. The Trustee has a sound business justification for selling the FSS Assets. The Trustee has a duty to maximize the value of the Debtor's estate and the assets that the estate administers, which includes the assets of FSS. The Debtor's estate owns 100 percent of the membership interests in FSS, and the FSS Assets and liens thereon are the subject to the PQPR Adversary Proceeding still pending before this Court. The Trustee and his advisors have received interest in the Assets from several parties but desires to explore a more comprehensive marketing process for the sale of the Assets in order to achieve the highest value and best offer for the Assets, which is in the best interests of the Debtor's estate, FSS's creditors, and other stakeholders. The ultimate successful bids for the Assets, after being subject to a further "market check" in the form of the Auctions (if any), will constitute, in the Trustee's reasonable business judgment, the highest or otherwise best offers for the Assets and will provide a greater recovery for their estates than any known or practicably available alternative. *See, e.g., In re Trans World Airlines, Inc.*, No. 01-00056, 2001 WL 1820326, at *4 (Bankr. D. Del. 2001) (while a "section 363(b) sale transaction does not require an auction procedure . . . the auction procedure has developed over the years as an effective means for producing an arm's length fair value transaction.").

34. The purchase agreement, as applicable, of any successful bidders will constitute the highest or otherwise best offer for the applicable Assets, which will provide a greater recovery than would be provided by any other available alternative. The Trustee's determination to sell the Assets through live auction processes and to enter into a purchase agreement with the successful bidder for the IP Assets, or issue invoices to successful bidders in the case of piecemeal sale of the Remaining Assets, will be a valid and sound exercise of the Trustee's business judgment. The Trustee requests that the Court accordingly authorize the proposed Sales as a proper exercise of the Trustee's business judgment.

III. Sale Should Be Approved Free and Clear Under Section 363(f) of the Bankruptcy Code.

35. Section 363(f) of the Bankruptcy Code permits a debtor to sell property free and clear of another party's interest in the property if: (a) applicable nonbankruptcy law permits such a free and clear sale; (b) the holder of the interest consents; (c) the interest is a lien and the sale price of the property exceeds the value of all liens on the property; (d) the interest is the subject of a bona fide dispute; or (e) the holder of the interest could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. *See* 11 U.S.C. § 363(f).

36. Section 363(f) of the Bankruptcy Code is drafted in the disjunctive. Thus, satisfaction of any of the requirements enumerated therein will suffice to warrant the sale of the Assets free and clear of all liens, security interests, pledges, charges, defects, or similar encumbrances (collectively, “*Encumbrances*”), except with respect to any Encumbrances that may be assumed Encumbrances under the purchase agreement of a successful bidder. *See In re Kellstrom Indus., Inc.*, 282 B.R. 787, 793 (Bankr. D. Del. 2002) (“[I]f any of the five conditions are met, the debtor has the authority to conduct the sale free and clear of all liens.”).

37. Any Encumbrance that will not be an assumed liability satisfies or will satisfy at least one of the five conditions of section 363(f) of the Bankruptcy Code, and any such Encumbrance will be adequately protected by either being paid in full at the time of closing, or by having it attach to the net proceeds of the Sale, subject to any claims and defenses the Trustee, the Debtor's estate, or FSS may possess with respect thereto. The Trustee requests authority to convey the Assets to the respective successful bidders free and clear of all Encumbrances including liens, claims, rights, interests, charges, and encumbrances, with any such liens, claims, rights, interests, charges, and encumbrances to attach to the proceeds of the Sale and to be held until further determination of this Court.

IV. Administrative Costs of the Sale Should Be Approved.

38. Tranzon360's Commission and Reimbursement should be approved as administrative expenses under section 503(b)(1)(A) of the Bankruptcy Code and paid from the proceeds of any sales of the Assets at closing. Tranzon360's Commission and Reimbursement constitutes an "actual and necessary cost of preserving the estate" because their services to market, auction, and sell the Assets materially benefit the Debtor's estate by achieving the highest or otherwise best offer for the Assets. 11 U.S.C. § 503(b)(1)(A). Therefore, the Trustee requests that the Court approve the terms of Tranzon360's Commission and Reimbursement and authorize the Trustee to pay Tranzon360 from the proceeds of Asset Sales upon closing of such Sales.

39. To the extent PQPR has valid and enforceable liens on the Assets, under section 506(c) of the Bankruptcy Code, administrative claims can be paid from a secured party's collateral if: (i) the expenses are necessary to preserve or dispose of the collateral, (ii) the expenses are reasonable, and (iii) the incurrence of the expenses provided a benefit to the secured creditor. 11 U.S.C. § 506(c); *See* 4 COLLIER ON BANKRUPTCY ¶ 506.05 (Alan N. Resnick & Henry J. Sommer eds. 16th ed.). Tranzon360's Commission and Reimbursement is necessary for the preservation and disposition of the Assets and are subject to review by this Court for reasonableness. The Trustee believes that the fee structure and budgeted expenses are reasonable in light of the extensive marketing and auction efforts that Tranzon360 has and will undertake in order to sell the Assets. Lastly, while PQPR's alleged liens are still the subject of the PQPR Adversary Proceeding, to the extent such liens are valid and enforceable, PQPR will be a primary beneficiary of the work performed by Tranzon360. The sealed bid and auction process is designed to achieve the highest or otherwise best offer for the Assets, which will benefit PQPR to the extent of the validity and enforceability of its alleged liens.

40. In addition, sections 326(a) and 330(a) of the Bankruptcy Code allow a trustee reasonable compensation and reimbursement of expenses for services rendered and for which property is disbursed or turned over. 11 U.S.C. § 326(a). Pursuant to sections 105(a), 326(a) and 330(a), the Trustee should be allowed compensation on all disbursements of FSS Assets to be calculated as a commission consistent with section 326 of the Bankruptcy Code and reimbursement of expenses, with the amounts so paid to be credited against any approved compensation or expenses of the Trustee from the Jones estate to the extent necessary to prevent double compensation for the same disbursements. Because the Trustee is administering the FSS Assets in connection with the Jones estate's ownership of the membership interests in FSS, the services rendered by the Trustee will benefit the Jones estate, FSS, and their creditors—many of which are overlapping. The sale of the FSS Assets is therefore to the benefit of all relevant stakeholders.

41. Likewise, pursuant to section 105(a) and section 328 of the Bankruptcy Code, the Trustee should be authorized to pay professional compensation and reimbursement of expenses incurred by the Trustee's professionals advising the Trustee on the sale of the FSS Assets to the extent those fees are allocable, in the Trustee's discretion, to the FSS sale process, with the amounts so paid credited against any approved fees in the chapter 7 case to the extent necessary to prevent double compensation for the same work. Fairness requires that the benefits provided to FSS in connection with the marketing, auction, and sale of the FSS Assets by the Trustee's professionals be compensated from the proceeds of the FSS Assets.

V. The Form and Manner of the Sale Notice Should Be Approved.

42. Pursuant to Bankruptcy Rule 2002(a), to the extent applicable to the sale of the FSS Assets, the Trustee is required to provide creditors with 21-days' notice of a hearing where the Trustee will seek to use, lease, or sell property of the estate outside the ordinary course of business.

Bankruptcy Rule 2002(c) requires any such notice to include the time and place of the auction and the hearing and the deadline for filing any objections to the relief requested therein. As required under Bankruptcy Rule 2002(b), to the extent applicable, the Trustee seeks approval of the Sale Notice as proper notice of the Auctions. Notice of this Motion and the related hearing to consider entry of the Proposed Order, coupled with service of the Sale Notice, as provided for herein, constitutes good and adequate notice of the Auctions and the proceedings with respect thereto in compliance with, and satisfaction of, the applicable requirements of Bankruptcy Rule 2002. The Trustee requests that this Court approve the form and manner of the Sale Notice.

WAIVER OF BANKRUPTCY RULE 6004(A) AND 6004(H)

43. To implement the foregoing successfully, the Trustee requests that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Trustee has established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

NOTICE

44. The Trustee will provide notice of this Motion to the following parties or their counsel: (a) the United States Trustee for the Southern District of Texas; (b) counsel for the Debtor; (c) counsel for the Sandy Hook Families; (d) the holders of the 20 largest unsecured claims against the Debtor; (e) the Office of the United States Attorney for the Southern District of Texas; (f) the Texas state attorney general; (g) the Internal Revenue Service; (h) all known holders of liens, encumbrances, and other claims secured by the Assets; (i) all known creditors of FSS; (j) each governmental agency that is an interested party with respect to the Sale and transactions proposed thereunder; (k) any party that has requested notice pursuant to Bankruptcy

Rule 2002; and (l) any other party entitled to notice pursuant to Bankruptcy Local Rule 9013-1(d). In light of the nature of the relief requested, no further notice is required.

CONCLUSION

WHEREFORE, the Trustee respectfully request entry of the Proposed Order authorizing the Trustee to wind down FSS and in connection therewith: (i) authorizing and approving the auction and sale of the non-cash assets of FSS free and clear of all liens, claims and encumbrances, and (ii) granting such other and further relief as may be just and proper.

In re: ALEXANDER E. JONES, <div style="text-align: center;">Debtor.</div>	§ § § § § § §	Chapter 7 Case No. 22-33553 (CML)
--	---------------------------------	--

**ORDER GRANTING TRUSTEE’S MOTION FOR ENTRY OF AN ORDER
AUTHORIZING THE WINDDOWN OF FREE SPEECH SYSTEMS, LLC**
[Related to Docket No. ____]

Upon the motion (the “*Motion*”)¹ of the Trustee for entry of an order (this “*Order*”), authorizing the winddown of Free Speech Systems, LLC (“*FSS*”), including (i) authorizing and approving the auction and sale of the non-cash assets of FSS free and clear of all liens, claims and encumbrances; and (ii) granting related relief as more fully set forth in the Motion, including, but not limited to (a) establishing certain dates and deadlines in connection with the Auctions and (b) approving the Sale Notice, substantially in the form attached hereto as **Exhibit 1**; and the Court having reviewed any evidence in support of the Motion; and the Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before the Court (the “*Hearing*”); and the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and any objections to the Motion having been withdrawn with prejudice or overruled on the merits at the Hearing; and upon all of the proceedings had before the Court; and after due deliberation and sufficient cause appearing therefor,

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

THE COURT HEREBY FINDS AS FOLLOWS:²

A. **Jurisdiction and Venue.** The Court has jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. § 1334, and venue is proper before this Court pursuant to 28 U.S.C. § 1408. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

B. **Bases for Relief.** The bases for the relief requested in the Motion are sections 105, 326, 363, 503, 506, 507, and 704 of the Bankruptcy Code and Bankruptcy Rules 2002(a)(2), 6004, 9007, and 9014, and Bankruptcy Local Rule 9013-1.

C. **Notice of the Motion.** Good and sufficient notice of the Motion and the relief sought in the Motion has been given under the circumstances, and no other or further notice is required except as set forth herein. The notice of the Motion and of the Hearing is reasonable and sufficient in light of the circumstances and nature of the relief requested in the Motion, and no other or further notice of the Motion or the Hearing is necessary. A reasonable and fair opportunity to object to the Motion and the relief granted in this Order has been afforded under the circumstances.

D. **Auctions and Sale.** The Trustee has articulated good and sufficient reasons for authorizing and approving the Auctions and Sales of the FSS Assets. The proposed Auctions are fair, reasonable, and appropriate under the circumstances and designed to maximize value for the benefit of the Debtor's estate, FSS's creditors, and other parties in interest. The Trustee, with the assistance of his advisors, is engaged in a fulsome marketing and sale process to solicit and develop the highest or otherwise best offer for the IP Assets and the Remaining Assets. The Auctions are designed to enhance that marketing and sale process following entry of this Order. The Trustee is

entitled to authorization to exercise and has exercised his reasonable business judgment in connection with the Auctions and the Sales of the FSS Assets.

E. Payment from Sale Proceeds of Sale-Related Administrative Expenses.

Tranzon360's Commission and Reimbursement are actual and necessary costs and expenses of preserving the Debtor's estate under 11 U.S.C. § 503(b)(1)(A) and should be approved and authorized to be paid from the proceeds of the Sales upon closing. If it is later determined by this Court that PQPR holds valid and enforceable liens on the Assets, pursuant to 11 U.S.C. § 506(c), (i) the Commission and Reimbursement are necessary to preserve and dispose of the Assets, (ii) the Commission and Reimbursement are reasonable, and (iii) the Commission and Reimbursement have provided a benefit to PQPR, to the extent of its alleged liens, as a result of the services provided by Tranzon360 to the Trustee, the Debtor's estate and FSS. Compensation and reimbursement of expenses incurred by professionals employed by the Trustee in connection with the Sales of the FSS Assets is reasonable and justified to the extent allocable, in the Trustee's determination, to the FSS Asset sale process, and such amounts may be credited against any approved fees in this bankruptcy case to extent necessary to prevent double compensation for the same work. Similarly, compensation of the Trustee on all disbursements of FSS Assets, calculated as a commission consistent with 11 U.S.C. §326, and the reimbursement of expenses in connection with FSS Asset sale process, is reasonable and justified, and such amounts may be credited against any approved compensation or expenses of the Trustee from the Jones bankruptcy estate to the extent necessary to prevent double compensation for the same disbursements.

F. Sale Notice. The Sale Notice is reasonably calculated to provide all interested parties with timely and proper notice of the Auctions, including the date, time, and place of the

Auctions (if one or more is held), and certain dates and deadlines related thereto, and no other or further notice of the Auctions shall be required.

NOW, THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED THAT:

1. All objections, statements, and reservations of rights to the relief granted herein that have not been withdrawn with prejudice, waived, or settled are overruled and denied on the merits with prejudice.

2. The Trustee is authorized, with the assistance of Tanzon360 and his other advisors, to market, solicit Bids, and conduct Auctions, if necessary, for the IP Assets and the Remaining Assets in accordance with this Order to sell the Assets free and clear of liens, claims, charges, encumbrances and interests pursuant to 11 U.S.C. § 363(b) and (f), with all valid and perfected liens attaching to the proceeds of the Sales to the same extent and priority as such liens encumbered the Assets on the date of the Sales, subject to the Trustee's avoidance powers and any other claims and causes of action the Debtor's estate or FSS may have against any lienholder.

3. The Trustee is authorized to take all actions necessary to close (i) the Sale of the IP Assets and any other Remaining Assets following the conclusion of the IP Assets Auction, if any, and the filing of a notice of successful bidder, including entering into any purchase agreement and (ii) the Sale of the Remaining Assets following the conclusion of the Remaining Assets Auction, if any, including entering into any necessary purchase agreements or issuing invoices, as applicable, in connection with the Asset Sales.

4. The Trustee shall hold all cash of FSS, including all cash generated from the Auctions (if any) and Sales of the Assets, pending further order of the Court regarding its disposition.

I. IMPORTANT DATES AND DEADLINES

5. **Timeline.** The following dates and deadlines regarding the Auctions and Sales are hereby established, subject to the right of the Trustee to modify the following dates, provided notice is given in accordance with the terms of this Order:

Event or Deadline	Date and Time
IP Assets Bid Deadline	October 23, 2024, at 5:00 p.m. (prevailing Central Time) as the deadline (the “ <i>IP Assets Bid Deadline</i> ”) by which all binding sealed bids must be actually received by the Trustee for the sale of the IP Assets and any Remaining Assets in connection with the sale of the IP Assets.
IP Assets Auction (if applicable)	The “ <i>IP Assets Auction</i> ”, if any, will be held on October 30, 2024, at 10:30 a.m. (prevailing Central Time) through Tranzon360’s selected online auction platform, for the sale of the IP Assets, subject to rescheduling or cancellation by the Trustee in his reasonable discretion.
Remaining Assets Auction (if applicable)	The “ <i>Remaining Assets Auction</i> ”, if any, will be held on November 19, 2024, at 10:30 a.m. (prevailing Central Time) through Tranzon360’s selected online auction platform, for the sale of the Remaining Assets or any unsold IP Assets, subject to rescheduling or cancellation by the Trustee in his reasonable discretion.

II. BIDDING PROCEDURES

6. To participate in the bidding process for the IP Assets or otherwise participate in the IP Assets Auction, a person or entity interested in purchasing the IP Assets, along with any other Remaining Assets of FSS in connection with the IP Assets Auction (each a “***Potential Bidder***”) must deliver or have previously delivered to the Trustee the following (the “***Bid Requirements***”) in connection with its sealed bid (each a “***Sealed Bid***”):

- **Confidentiality Agreement:** an executed confidentiality agreement in form and substance acceptable to the Trustee;

- **Identity:** Each Bid must fully disclose the identity of each entity and each entity's shareholders, partners, investors, and ultimate controlling entities that will be bidding for or purchasing the applicable Assets or otherwise participating in connection with such Sealed Bid, and the complete terms of any such participation, along with sufficient evidence that the Potential Bidder is legally empowered to complete the transactions on the terms contemplated by the parties. Each Sealed Bid must also include contact information for the specific person(s) whom Tranzon360, Porter Hedges LLP, and Jones Murray LLP should contact regarding such Bid;
- **Identity of Assets and Purchase Price:** Each Sealed Bid must clearly state which of the Assets the Potential Bidder seeks to acquire. Each Sealed Bid must clearly set forth the purchase price to be paid, including cash and non-cash components, if any (collectively, the "**Purchase Price**"). The Purchase Price should be a specific amount in U.S. Dollars (not a range);
- **Good Faith Deposit:** Each Sealed Bid must be accompanied by a cash deposit equal to ten percent (10%) of the Purchase Price of such Sealed Bid, submitted by wire transfer of immediately available funds to an interest-free separate segregated account of FSS to be identified and established by the Trustee (the "**Good Faith Deposit**"). To the extent a Qualified Bid (as defined below) is modified before, during, or after the Auction in any manner that increases the Purchase Price contemplated by such Qualified Bid, the Trustee reserves the right to require that such Qualified Bidder (as defined below) increase its Good Faith Deposit so that it equals ten percent (10%) of the increased Purchase Price; *provided, however*, that the Trustee may, on a case-by-case basis, elect to waive the requirement that a Qualified Bidder deliver the initial Good Faith Deposit if such Qualified Bidder otherwise provides the Trustee with sufficient evidence satisfactory to the Trustee, in his reasonable business judgment, that such Qualified Bidder has sufficient internal resources or has received sufficient non-contingent debt funding commitments to consummate the proposed Sale transaction and to fully satisfy the Qualified Bidder's Purchase Price and other obligations under its Sealed Bid;
- **Committed Financing:** Each Sealed Bid must include committed financing, documented to the Trustee's reasonable satisfaction, that demonstrates the Potential Bidder has sufficient funding commitments to satisfy such Potential Bidder's Purchase Price and other obligations under its Sealed Bid, including the identity and contact information of the specific person(s) or entity(s) responsible for such committed financing whom Tranzon360, Porter Hedges LLP, or Jones Murray LLP should contact regarding such committed financing. Such funding commitment shall not be subject to any internal approval or diligence requirements and shall have covenants and conditions reasonably acceptable to the Trustee. The Trustee may in his reasonable business judgment waive this condition on a case-by-case basis;
- **Contingencies; No Financing or Diligence Outs:** A Sealed Bid shall not be conditioned on the obtaining or the sufficiency of financing, any internal approval,

or on the outcome or review of due diligence. Each Sealed Bid must identify with particularity any conditions or material issues that may affect certainty of closing within the proposed timelines. The Potential Bidders are expected to have completed all of their due diligence by the IP Assets Bid Deadline, including all business, legal, accounting, title, and other confirmatory diligence. The extent and nature of any remaining due diligence should be set forth in a specific list attached to each Sealed Bid;

- **As-Is, Where-Is:** Each Sealed Bid must include a written acknowledgement and representation that the Potential Bidder: (i) has had an opportunity to conduct any and all due diligence prior to making its offer; (ii) has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or the Assets in making its Sealed Bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied, by operation of law, or otherwise, regarding the completeness of any information provided in connection therewith, except as expressly stated in the Potential Bidder's proposed purchase agreement;
- **Authorization:** Each Sealed Bid must contain evidence that the Potential Bidder has obtained any necessary authorization or approval with respect to the submission of its Sealed Bid and the consummation of the Sale contemplated by such Sealed Bid;
- **Irrevocable:** A Potential Bidder's Sealed Bid must be binding and irrevocable unless and until the Trustee accepts a higher bid and such Potential Bidder is not selected as the Backup Bidder (as defined herein);
- **No Fees:** Each Potential Bidder presenting a Sealed Bid will bear its own costs and expenses (including legal fees) in connection with the proposed Sale, and by submitting its Sealed Bid is agreeing to refrain from and waive any assertion or request for a breakup fee, transaction fee, termination fee, expense reimbursement, or any similar type of payment or reimbursement on any basis, including under section 503(b) of the Bankruptcy Code;
- **Adherence to Bidding Requirements:** By submitting its Sealed Bid, each Potential Bidder is agreeing to abide by and honor the terms of these Bid Requirements and this Order and agrees not to submit a bid or seek to reopen the Sale process or the IP Assets Auction (if held) after conclusion of the selection of the Successful Bidder (as defined herein). By submitting its Sealed Bid, each Potential Bidder is agreeing to comply in all respects with the Bankruptcy Code and any applicable non-bankruptcy law;
- **Backup Bid:** Each Bid shall provide that the Potential Bidder will serve as a backup bidder (the "***Backup Bidder***") if the Potential Bidder's bid is the next highest or otherwise best Bid;

- **Requests for Information:** Each Potential Bidder shall comply with all reasonable requests for information and due diligence access by the Trustee or his advisors regarding any of the information required to be provided under these Bid Requirements, including the ability of such Potential Bidder, as applicable, to consummate a proposed Sale.

7. Only Sealed Bids for the Assets fulfilling all of the preceding Bid Requirements, at the Trustee's reasonable discretion, may be deemed "*Qualified Bids*", and only those parties submitting Qualified Bids, at the Trustee's reasonable discretion, may be deemed "*Qualified Bidders*"; *provided however*, that the Trustee's right to modify the foregoing Bid Requirements, to modify any deadlines in paragraph 4 of this Order, to modify any procedures at the IP Assets Auction (if any), and/or to terminate discussions with any Potential Bidders at any time are fully preserved to the extent not materially inconsistent with this Order.

8. No later than five (5) business days following the IP Assets Bid Deadline, the Trustee shall determine which Potential Bidders are Qualified Bidders and will notify the Potential Bidders whether Sealed Bids submitted constitute Qualified Bids, which will enable such Qualified Bidders to participate in the IP Assets Auction (if held).

9. Binding Sealed Bids must be received (via email shall be acceptable) for the IP Assets by (a) the Trustee's bankruptcy co-counsel, Porter Hedges LLP, 1000 Main Street, Houston, Texas 77002, Attn.: Joshua W. Wolfshohl (jwolfshohl@porterhedges.com) and Michael B. Dearman (mdearman@porterhedges.com); (b) the Trustee's bankruptcy co-counsel, Jones Murray LLP, 602 Sawyer Street, Suite 400, Houston, Texas 77007, Attn: Erin Jones (erin.jones@jonesmurray.com), (c) Tranzon, 1108A North Dixie Avenue Elizabethtown, Kentucky 42701, Attn.: Kelly Toney (ktoney@tranzon.com), Ed Durnil (edurnil@tranzon.com) and (d) ThreeSixy, 3075 E. Thousand Oaks Blvd., Westlake Village, California 91362, Attn: Jeff Tanenbaum (jeff@360assetadvisors.com), in each case so as to be **actually received** no later than IP Assets Bid Deadline.

III. IP ASSETS AUCTION AND SALE

10. Only a Qualified Bidder is authorized to participate at the IP Assets Auction, if any, for which such Qualified Bidder submitted a Qualified Bid.

11. Each Qualified Bidder participating at IP Assets Auction, if any, shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the Sale, and the IP Assets Auction, if any, shall be transcribed or recorded.

12. The Trustee is authorized to implement such other procedures as may be announced by the Trustee and his advisors from time to time on the record at Auction; *provided* that such other procedures are (i) not inconsistent with this Order, the Bankruptcy Code, or any other order of the Court, (ii) disclosed orally or in writing to all Qualified Bidders, and (iii) determined by the Trustee to further the goal of attaining the highest or otherwise best offer for the applicable IP Assets and any other Assets upon which the Qualified Bidder submitted a Qualified Bid.

13. The Trustee is authorized at the IP Assets Auction (if any) to (a) determine which Qualified Bid is the highest or otherwise best offer for the respective Assets (the “*Successful Bid*”) based on their perceived competitiveness in comparison to other Bids, *provided* that the Trustee may select more than one Qualified Bid to collectively serve as a Successful Bid if each such Qualified Bid contemplates the purchase of different Assets; (b) at any time prior to the determination by the Trustee of the Successful Bidder, reject any Bid that the Trustee determines, is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code or this Order, or (iii) contrary to the best interests of the Debtor’s estate, FSS and their creditors, and (c) prior to conclusion of an Auction (if any) impose such other terms and conditions upon bidders as the Trustee determines to be in the best interests of the Debtor’s estate, FSS and their creditors in this bankruptcy case.

14. The Trustee shall file a notice of the Successful Bid and the successful bidder (the “**Successful Bidder**”) and the Backup Bidder and backup bid (the “**Backup Bid**”), no later than three (3) business days following the conclusion of the IP Assets Auction (if any). The Successful Bidder and the Trustee shall, as soon as commercially reasonable and practicable, complete and sign all agreements, contracts, instruments, or other documents evidencing and containing the terms upon which each such Successful Bid was made without further order of the Court.

15. Each Backup Bidder shall be required to keep its Qualified Bid open and irrevocable until the closing of the transaction with the applicable Successful Bidder. The Backup Bidder’s Good Faith Deposit shall be held in an interest-free segregated account until the closing of the transaction with the applicable Successful Bidder. If for any reason a Successful Bidder fails to consummate the purchase of such Assets within the time permitted after the entry of the Sale Order, then the Backup Bidder will automatically be deemed to have submitted the Successful Bid for such Assets, and the Backup Bidder shall be deemed a Successful Bidder for such Assets and shall be required to consummate the Sale with the Trustee as soon as is commercially practicable without further order of the Court; *provided* that the Trustee shall file a notice with the Court.

16. The Good Faith Deposit of a Successful Bidder shall, upon consummation of any Sale, be credited to the purchase price paid for the applicable Assets. If a Successful Bidder fails to consummate the Sale due to a breach or failure to perform on the part of such Successful Bidder, then the Good Faith Deposit shall be forfeited to, and retained irrevocably by, the Trustee, and may be used by the Trustee to pay the fees and expenses of the Trustee’s professionals, including Tranzon360, in accordance with this Order, and the Trustee specifically reserves all rights and remedies against the defaulting Successful Bidder, including the right to seek damages from, and/or the specific performance of, the defaulting Successful Bidder. The Good Faith Deposit of

any Qualified Bidders that are not Successful Bidders or Backup Bidders will be returned within five (5) business days after the Auction or upon the permanent withdrawal of the applicable proposed Sale, and the Good Faith Deposit of any Backup Bidder(s) will (unless such Backup Bidder is deemed a Successful Bidder) be returned within five (5) business days after the consummation of the applicable Sale or upon the permanent withdrawal of the applicable proposed Sale.

17. If the IP Assets Auction is cancelled, then the Trustee shall file a notice with the Court of such election within two (2) business days of the determination of such election by the Trustee.

IV. REMAINING ASSETS AUCTION AND SALE

18. Participants at the Remaining Assets Auction must complete all of the following in order to be a qualified buyer of any of the Remaining Assets at the Remaining Assets Auction:

- Register on the online bidding platform selected by Tranzon360 by providing requested registrant information, including the name, address, phone number and email address for the buyer;
- Provide a valid credit card upon registering;
- Agree to the posted terms and conditions of the Remaining Assets Auction and Sales, which include, but are not limited to:
 - All items sold at the Remaining Assets Auction are sold “AS-IS-WHERE-IS”;
 - Bids may not be retracted;
 - Full payment is due by wire transfer or credit card payment within twenty-four (24) hours after the close of the Remaining Assets Auction;
 - Credit card payments are subject to a \$5,000 per buyer maximum and a 4 percent surcharge;
 - Purchases are subject to sales tax unless the buyer can provide sufficient evidence of a qualified exemption acceptable to the Trustee and Tranzon360;

- Tranzon360 and the Trustee reserve the right to add, delete or group any portion of the Remaining Assets into lots;
- Buyers will be responsible to retrieve their purchases or arrange for a third party to retrieve and remove their purchases from the sale site within a removal period of approximately one (1) week after the close of the Remaining Assets Auction, to be more specifically indicated in the terms of the Remaining Assets Auction prior to any Sale.

The Trustee's rights to modify the foregoing requirements, to modify any procedures at the Remaining Assets Auction (if any), to group any portion of the Remaining Assets into lots, and to terminate discussions with any bidder at any time are fully preserved to the extent not materially inconsistent with this Order.

19. If the Remaining Assets Auction is cancelled, then the Trustee shall file a notice with the Court of such election within two (2) business days of the determination of such election by the Trustee.

20. Successful bids at the Remaining Assets Auction shall be the highest or otherwise best offer for the respective Assets based on the Trustee's reasonable perception of the competitiveness of such bid in comparison to other bids; *provided that* (a) the Trustee may set the opening bid or reserve price for any of the Remaining Assets or lots of the Remaining Assets; (b) remove any of the Remaining Assets from the Remaining Assets Auction (if any) at least twenty-four (24) hours prior to the beginning of the Remaining Assets Auction (if any); and (c) prior to conclusion of the Remaining Assets Auction (if any) impose such other terms and conditions upon bidders as the Trustee determines to be in the best interests of the Debtor's estate, FSS and their creditors in this bankruptcy case.

21. The Trustee is authorized to implement such other procedures as may be announced by the Trustee and his advisors from time to time prior to the Remaining Assets Auction; *provided that* such other procedures are (i) not inconsistent with this Order, the Bankruptcy Code, or any

other order of the Court, (ii) disclosed orally or in writing to all participants, and (iii) determined by the Trustee to further the goal of attaining the highest or otherwise best offer for any of the Remaining Assets.

V. SALE NOTICE AND RELATED RELIEF

22. The Sale Notice, substantially in the form attached hereto as **Exhibit 1**, is hereby approved. Within three (3) business days after entry of this Order, the Trustee shall serve the Sale Notice upon the Notice Parties. In addition, within five (5) business days after entry of this Order, the Trustee will cause the Sale Notice to be posted one or more of Tranzon360's websites to provide notice to any other potential interested parties.

VI. PAYMENT FROM SALE PROCEEDS OF SALE-RELATED ADMINISTRATIVE EXPENSES

23. Tranzon360's Commission and Reimbursement is hereby allowed pursuant to 11 U.S.C. § 503(b)(1)(A), and the Trustee is authorized to pay the Commission and Reimbursement from the proceeds of the Sales upon closing.

24. The Trustee is authorized to pay compensation on all disbursements of FSS Assets, which compensation shall be calculated as a commission consistent with 11 U.S.C. § 326, and reimbursement of expenses, with the amounts so paid to be credited against any approved compensation or expenses of the Trustee from the Jones estate to the extent necessary to prevent double compensation for the same disbursements of FSS Assets.

25. The Trustee is authorized to pay professional fees and reimburse expenses incurred by professionals employed by the Trustee in the Jones Case to the extent such fees and expenses are allocable, in the Trustee's reasonable determination, to the FSS asset sale process, with the amounts so paid credited against any approved fees in the Jones Case to the extent necessary to prevent double compensation for the same work.

26. No person or entity shall be entitled to any expense reimbursement, break-up fees, “topping,” termination, or other similar fee or payment, and by submitting a bid, such person or entity is deemed to have waived their right to request or to file with this Court any request for expense reimbursement or any fee of any nature in connection with such bid, whether by virtue of section 503(b) of the Bankruptcy Code or otherwise; *provided however*, that this paragraph shall not apply to Tranzon360’s Commission and Reimbursement in connection with the Sales, Trustee’s fees and expenses, or the Trustee’s professionals’ fees and expenses.

VII. RESERVATION OF RIGHTS

27. Nothing in this Order shall be deemed a waiver of any rights, remedies, or defenses that any party has or may have under applicable bankruptcy and non-bankruptcy law or any rights, remedies or defenses of the Debtor’s estate or FSS with respect thereto, including seeking relief from the Court with regard to the Auctions, the Sales, and any related items (including, if necessary, to seek an extension of any of the deadlines in this Order).

28. Nothing in this Order modifies or shall be deemed to modify the validity or priority of any lien or other property interest.

29. The Trustee’s right is fully reserved, in his reasonable business judgment and in a manner consistent with his duties and applicable law, to modify or waive any procedures or requirements with respect to all Potential Bidders, Qualified Bidders or to announce at an Auction modified or additional procedures for such Auction, and in any manner that will best promote the goals of the bidding process, or impose, before the conclusion of the consideration of bids or an Auction (if held), additional customary terms and conditions on the sale of the IP Assets or the Remaining Assets, as applicable, including without limitation: (a) extending the deadlines set forth in the procedures for submitting Sealed Bids; (b) adjourning any Auction; (c) modifying the

Auction and Sale Procedures or adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction; (d) canceling any Auction; and (e) rejecting any or all Sealed Bids, Qualified Bids, or any bids at the Remaining Assets Auction. For the avoidance of doubt, the Trustee reserves the right, at any point prior to the selection of the Successful Bidder at the IP Assets Auction or successful bidders at the Remaining Assets Auction, to terminate the Sale processes contemplated hereunder with respect to any or all of the FSS Assets and seek to sell any or all Assets by alternative means.

30. The Trustee may provide reasonable accommodations to any Potential Bidder(s) with respect to the terms, conditions, and deadlines for submitting Sealed Bids and to Qualified Bidders with respect to the terms, conditions, and deadlines of an Auction to promote further bids. All parties reserve their rights to seek Court relief, including on an expedited basis, with regard to the Auctions and any related items. The rights of all parties in interest with respect to the outcomes of the Auctions are reserved.

31. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

32. The Trustee is authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion.

33. The requirements set forth in Bankruptcy Local Rule 9013-1 are satisfied by the contents of the Motion.

34. Notwithstanding Bankruptcy Rule 6004(h), this Order shall be immediately effective and enforceable upon entry hereof. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation of this Order.
